1) The letter d 3-11-54 of the A.G. is
submitted for perusal with reference to
the order d 6-7-54 (Pg B) allowing
a concession of $4\frac{1}{2}\%$ in respect of establishment
charges on works undertaken by the P.W.D.
on behalf of Trust Bonds.

2) As per go no 7L (B) 10430-530/c.A
20-53-1-d 4-11-1953 (a copy of which is
fwd and flagged c), the concession of $4\frac{1}{2}\%$
(allowed in the case of the local bodies & others
therein) in the rate ~~is~~ would take the form
of grant-in-aid and the P.W.D. would receive
the full credit for these charges. ~~What~~ The
A.G. seeks clarification whether it is
the intention to allow this concession to

8) The point raised by the

He refers to the grant in aid principle
found in para 4 of the G.O. no. 92 (B)
10430-500 of 4.11.53. He asks if this Con-
cession holds good for the B.T.B. also
in respect of which in the G.O. L. 4740-4
of 26.7.54 the Concession of 12 1/2 % E.T.P.
charges has been conceded, presumably
following the principle embodied in the
G.O's order of 4.11.53 in respect of local
bodies. This is the point to be considered.
But the ddt. perhaps merely says
that the 12 1/2 % Concession not only
applies to B.T.B. but to E.T.B. also.
I do not follow the relevancy of
the ddt. refg. Please examine.
